THE ROUTE AT A GLANCE

Overview

This itinerary has one single goal: to show you everything you absolutely must see before leaving Gran Canaria. Green valleys, coniferous forests, the legendary peaks of Pico de las Nieves and Roque Nublo – and we're only halfway through. You'll then be led along the most beautiful road in Gran Canaria, see the famous Maspalomas dunes, the island's most famous mirador, and a road perched over the ocean that will give you one of the most exciting rides you'll remember forever. It's the most demanding itinerary in terms of riding, but also one of the most rewarding. Departure and arrival in Las Palmas.
