THE ROUTE AT A GLANCE

Overview

The goal of this itinerary is simple: to take the eastern half of Gran Canaria and ride all the best roads that characterize it. Pure and simple riding pleasure. There will still be the most famous peaks and a few towns to explore, and a sunset over the Maspalomas dunes. Don't worry if this itinerary doesn't always seem to take the shortest route: it has been studied, planned, and tested to show you all the best of this part of the island. Recommended only if purchased as part of a tour with other itineraries. Departure and arrival in Las Palmas.
