

GRAN CANARIA BEST ROADS

Sea and mountains (long)

The itinerary for those who want IT ALL! The best roads, the highest peaks, the most memorable coasts. Ride hard here!

GC 600: A SERIES OF CURVES AND HAIRPIN TURNS WINDING THROUGH CONIFEROUS TREES

THE ROUTE AT A GLANCE

Overview

This itinerary has one single goal: to show you everything you absolutely must see before leaving Gran Canaria. Green valleys, coniferous forests, the legendary peaks of Pico de las Nieves and Roque Nublo – and we're only halfway through. You'll then be led along the most beautiful road in Gran Canaria, see the famous Maspalomas dunes, the island's most famous mirador, and a road perched over the ocean that will give you one of the most exciting rides you'll remember forever. It's the most demanding itinerary in terms of riding, but also one of the most rewarding. Departure and arrival in Las Palmas.
